Filing Date:

06/11/2004

Art Unit:

2661

App. No.:

10/709,993

Docket No.:

ASTP0040USA

Title:

METHOD OF CONTROLLING A RECEIVER AND A TRANSMITTER IN A WIRELESS COMMUNICATION SYSTEM TO HANDLE A TRANSMISSION WINDOW SIZE CHANGE

PROCEDURE

To:

Office of Initial Patent Examination

P.O. Box 1450

Alexandria VA 22313-1450

Subject:

Request to cancel a duplicate application created by EFS and to refund

the filing fee

Dear Sir/Madame:

At 06/11/2004 when the undersigned patent agent used the EFS to file a non-provisional patent application (docket number: ASTP0040USA), the electronically filing process was completed normally and an acknowledgement receipt was generated by the EFS system which showed that the application number is 10/709,994 (attachment 1). Two months after the electronic filing process, the undersigned agent received two filing receipts for two U.S. patent applications 10/709,993 and 10/709,994. The undersigned agent has no knowledge about the existence of the duplicate patent application 10/709,993 at all. The undersigned agent believed that the error was caused by the EFS system and not by the undersigned

agent because only one acknowledgement receipt was formally created by the EFS system during the electronic filing process.

The undersigned agent hereby requests the USPTO to cancel the duplicate patent application 10/709,993 and refund the fee \$896 paid for this application (attachment 2) to the deposit account no. 503105.

Respectfully submitted,

Wenton bar
